

## Buffalo Hunter – Stage 4

While out on the prairie hunting, you come across a herd of buffalo. Knowing how spooky they are, you kneel behind a rock to get a good look. Then you stand up and shoot some buffalo. After your rifle runs dry, a small group of bandits comes to try to take your meat!

2 pistols loaded with 5 rounds holstered, hammers on empty chambers.

Rifle loaded with 8 rounds, hammer on the empty chamber, staged on the haybale, 2 rounds to be loaded from your person.

Shotgun staged open and empty on the haybale, 2 rounds to be loaded from your person.

Shooter starts kneeling behind the haybale, using hands to shield eyes from the sun.

When ready call out “**Look at all that food!**” After the buzzer, stand up and retrieve your rifle and shoot the rifle target 10 times. 2 rounds must be loaded from your person any time after the buzzer. Restage the open and empty rifle back on the haybale. Retrieve your shotgun and shoot the swingers from left to right once. Stage your shotgun back on the haybale, open and empty. Move to position 2 and with your first revolver, Nevada Sweep the pistol targets from the left. Holster. Repeat with 2<sup>nd</sup> pistol.

Shooter must come to a complete stop at position 2 before drawing revolver.
