

Stage 5: Candygram for Mongo

Mongo has been sent to town to terrorize the populace and kill the sheriff. The sheriff comes up with a plan to capture Mongo. Mongo has a sweet tooth and the sheriff uses it against him.

2 pistols loaded with 5 rounds each, hammers resting on empty chambers.
Rifle loaded with 9 rounds, hammer on the empty chamber, staged on the rest.
Shotgun, open and empty, staged on the rest. 2 rounds to be loaded from your person.

Shooter starts standing by the rest holding the cigar box in both hands. When ready call out "Candygram for Mongo!" At the buzzer, drop the box. Retrieve your shotgun and shoot the bird and then the pop-up clay. If your first shot doesn't trigger the bird, load another and try again. The clay IS a must kill. Place your open and empty shotgun back on the rest. Pick up your rifle and shoot the left target once, the center buffalo 7 times, and the right target once. Carry your rifle up to the hay bale and set it down. Draw your first pistol and shoot the left target once, the center buffalo 4 times. Holster. Draw your second pistol and shoot the right target once and the center buffalo 4 times.

Note: When setting up the stage, make sure the rest is pointed off at an angle so the shooter does not move in front of his/her shotgun!
