

## Come Along, Jake

Just as you cut the deck in your card game, you witness Jake Waters gun a man down. It is determined that the man Jake shot was unarmed. Knowing it's your duty to arrest Jake, even though the saloon is full of his pards, you proceed.

Pistols loaded with 5 rounds each, hammer resting on an empty chamber, holstered.

Rifle loaded with 9 rounds, staged on the table.

Shotgun staged on the table, 2 rounds to be loaded from your person.

Shooter starts seated at the table with both hands resting on it. At the buzzer, shooter cuts the deck, exposing a suit and calls out "**Come along, Jake!**" Shooter stands up and shoots the rifle targets, sweeping from left to right 3 times. Stage the rifle open and empty back on the table. Draw your first pistol and sweep the card targets from left to right, skipping the suit that was cut. Continue the sweep with your other pistol, skipping the suit that was cut. After 3 sweeps (9 shots), your 10<sup>th</sup> round goes in the suit that was cut. Pick up your shotgun and sweep the swingers left to right once.
