

Defend Your Claim!

While making your way to your gold claim in the morning, you are set upon by thugs. Since they came screaming out of the trees, you had sufficient warning to grab your rifle and defend your mine.

2 pistols loaded with 5 rounds each, holstered, hammers resting on empty chambers.
Rifle loaded with 8 rounds, staged on the rest, hammer resting on an empty chamber.
Shotgun staged open and empty on the rest, 6 rounds to be loaded from your person.

Shooter starts standing by the rest, hands relaxed at sides. When ready call out, “**Not My Mine!**” After the buzzer, grab your rifle and sweep the rifle targets from right to left twice. Place the open and empty rifle back on the rest. Pick up your shotgun and sweep the swingers from right to left twice. Place your open and empty shotgun back on the rest. Draw your first pistol and dump 5 into the right target. Holster. Draw your second pistol and dump 5 into the left target.
