

Stage 1 - Draw

You've run into Blackjack at the saloon early in the afternoon. When you bumped him, he spilled his drink. He's invited you outside to settle. Knowing you're faster, you agree.

2 pistols loaded with 5 rounds each, holstered, hammers on empty chambers.
Rifle loaded with 9 rounds, staged on the rest, hammer on an empty chamber.
Shotgun staged open and empty on the rest, 4 rounds to be loaded from your person.

Shooter starts standing on the left at position 1. One hand hovering over a holstered gun, but not touching it. When ready, call out "**Draw!**" At the buzzer, draw your first gun and do a Nevada Sweep of the 3 targets, starting from either side. Holster. Draw your second gun and repeat. Holster. Move to the rest and retrieve your rifle. Shoot the 3 rifle targets in 3 sweeps from either side (no Nevada sweep). Put the open and empty rifle back on the rest and pick up your shotgun. Sweep the swingers twice each from either side. No double taps.
