

Gunfight at the Corral – Stage 3

As you are making the rounds of the town, a kid runs up to you and tells you that Mad Johnny is out in the Corral making trouble. You hurry on down and find out that he is drunk and after a gunfight. Knowing that he has friends around, you make sure a nearby rifle and shotgun are handy.

2 pistols loaded with 5 rounds each, hammers on empty chambers, and holstered.
Rifle loaded with 8 rounds, hammer on the empty chamber, and staged on the haybale.
Shotgun, open and empty, staged on the haybale with 4 rounds to be loaded from your person.

Shooter starts standing behind the haybale with one hand on a holstered gun. When ready call out “**Draw Johnny!**” After the buzzer, draw your first revolver and start a double tap sweep from left to right. Holster. Draw your 2nd pistol and continue the sweep. Holster. Pick up your rifle and double tap sweep the targets from left to right. Restage the open and empty rifle on the haybale. Pick up your shotgun and sweep the swingers from left to right twice.
