

Hang 'em High

By: Single Malt Sal

Your pard is about to be hanged for a stagecoach robbery. You know he's innocent, but Judge Parker's mind is made up. You have no choice but to take matters into your own hands.

2 pistols loaded with 5 rounds each, holstered, hammer on an empty chamber.
Rifle loaded with 10 rounds, hammer on an empty chamber, staged on the hay bale.
Shotgun staged on the hay bale with 4 rounds to be loaded from your person.

Start by holding your pard (the dummy, with a rope around it's neck). At the buzzer, pretend to cut the rope and set your "pard" down gently and say, "**No you don't Judge Parker!**" Draw your first pistol and put 1 round in the cowboy and 4 in the circle. Holster. Draw your second pistol and alternate between the cowboy and the circle for 5 shots. Holster. Pick up your rifle and Nevada Sweep the 4 rifle targets, starting on the left. Stage the rifle back on the hay bale with the action open and empty. Pick up the shotgun and sweep the swingers from left to right twice, no double tap.

PENALTY: 10 seconds for not setting your "pard" down gently!
