

**Stage 6**  
**Here We Go Again!**

You've finished your whiskey at the bar and the rustlers have gotten loose. They're coming for you. You know you have to take 'em all or you aren't going to get out of the bar alive.

2 pistols loaded with 5 rounds each, hammers resting on empty chambers, holstered.  
Shotgun staged on the hay bale with at least 4 rounds to be loaded from your person.

Shooter starts with both hands flat on the hay bale. After the buzzer call out "**Here we go again!**" Draw your first pistol and shoot the left square once and the rest at any plates. Holster. Draw your second pistol and shoot the right square once and the rest at any plates. Knock down any standing plates with the shotgun. All plates must fall. If a plate goes down and bounces back up, it is considered to be down.
