

Prayers Before Justice

By: Single Malt Sal

Sunday mornings will never be the same. You're leading your flock in prayer when the Ringo Kid bursts in drunk, bragging about killing your brother. You bow your head in prayer and decide to read to the Ringo Kid "from the book".

2 pistols loaded with 5 rounds each, holstered, hammer on an empty chamber.
Rifle loaded with 9 rounds, hammer on an empty chamber, staged on the hay bale.
Shotgun staged on the hay bale with 2 rounds to be loaded from your person.

Start with head bowed and hands clasped in front of you, arms hanging naturally. When ready say "**Let us pray**". At the buzzer, draw your first pistol and start a Nevada Sweep from the left, holster. Draw second pistol and continue the Nevada Sweep, ending on the center target, holster. Pick up your rifle and triple tap the left target, triple tap the right target, and triple tap the center target. Restage your rifle, action open and empty. Pick up your shotgun and sweep the targets from left to right.
