

## Stage 4 Singing in the Rain

It's late, the fire has burned low, and you are humming a song. The horses seem restless.

2 pistols loaded with 5 rounds each, hammer on an empty chamber, holstered.

Rifle loaded with 9, staged on the rest, 6 more to be reloaded from your person.

Shotgun staged on the rest open and empty. 2 rounds to be loaded from your person.

Shooter starts seated on the stool. After the buzzer, you say **‘Easy Boys.’** Pick up your rifle and triple tap the rifle targets from left to right. Reload 6 in your rifle (after shooting the 9) and double tap the rifle targets from left to right. Put your rifle back on the rest, action open and empty. Draw a revolver and dump 5 in the left target. Holster. Draw your other revolver and dump 5 in the right target. Holster. Pick up your shotgun and sweep the swingers left to right once.
