

Sodbusters Last Stand

You've just plowed the last furrow of land on your 10-acre spread when you hear the clatter of horses hoofs. Black John and his gang of hired killers have come a visitin' in hopes of "convincin'" you to sell your land to the greedy Bar T ranch for cattle grazin'. You've told cattle baron Triple D Stubbs that you ain't sellin' not no way, not no how. Black John comes riding right into you're your yard trampling your newly planted garden. You've had enough. You shout: "**Triple D is getting' this land over my dead body.**" Black John thinks that ain't such a bad idea.

Pistols loaded with five rounds each, hammer resting on an empty chamber.
Rifle loaded with 10 rounds, hammer resting on an empty chamber
Shotgun staged on a hay bale, with four rounds to be loaded from your person.

Timer starts after the shooter shouts "**Triple D is getting' this land over my dead body**"
Starting with rifle at Port Arms, engage the rifle targets, starting with 5 in the center target, then left, right, left, right, left. Place the rifle on the hay bale when finished, empty and with the action open
Engage the shotgun targets, sweeping left to right twice. Restage the empty shotgun on the hay bale, with the action open.
Engage the pistol targets (left, right, left, right, center) with your first pistol, holster, and repeat with 2nd pistol.
