

## The Saloon

You are sitting down for a game when Bad Bart comes in. Knowing that he is coming for you, you yell “Over Here Bart!” When he sees you he draws. You are faster. Problem is, he has several of his gang in the saloon and they draw too.

Both pistols loaded with 5 rounds each, hammer on empty chamber and staged on the table.

Rifle loaded with 10 rounds, hammer on an empty chamber and staged on the rest.

Shotgun staged on the rest with 4 rounds to be loaded from your person.

At the buzzer, shooter cuts the cards and yells, “**Over Here Bart!**” (After the buzzer, not before). Shooter picks up the first pistol and starts a Nevada Sweep starting on the drawn suit and starting from right to left (if left most suit is drawn, starting there sweep starts to the right). Shooter stands up, and moves to the rest to retrieve rifle. Shoot the rifle targets in a Nevada Sweep starting from the right. When finished, set rifle back in rest, action open and empty. Pick up shotgun and sweep targets from right to left twice.
